personal statement

I'm a 23 years old Graphic Designer & Freelance Designer. I love everything that has to do with editorial design, packaging design, web design, industrial design and I feel a true devotion for branding.

I have 5 years of experience working as a freelancer and working on an agencies around the world, and I'm always ready to take a new challenge! I love working with people and create good teamwork experiences.

Why don't we work together? Go futher down to see why I am the man you need to hire!
